

WESTWOOD NEIGHBORHOOD COUNCIL

September 14, 2016

Agenda Item #6J

MOTION FOR THE WESTWOOD NEIGHBORHOOD COUNCIL TO WITHDRAW FROM THE WESTSIDE REGIONAL ALLIANCE OF COUNCILS (WRAC)

Whereas the WRAC is representative of thirteen westside neighborhood and community councils; and

Whereas the Westwood Neighborhood Council has been a member of WRAC since its certification; and

Whereas WRAC meets once a month and duplicates all relevant reports from elected offices that represent residents in Council Districts 5 and 11 and which reports have been brought to the Westwood Neighborhood Council; and

Whereas WRAC submits a letter to the Los Angeles City Council, to the State of California, and to the United States Federal Government once nine councils have voted to support or oppose a statement, bill, ordinance, initiative, or motion; and

Whereas the Westwood Neighborhood Council has already taken such a vote on every relevant issue.

Now therefore, be it resolved that the Westwood Neighborhood Council focus its energy and time in a more constructive way and withdraw its membership in the Westside Regional Alliance of Councils (WRAC).
